# Drinking Water: Revised Total Coliform Rule

The Revised Total Coliform Rule (RTCR) is one of the national primary drinking water regulations that protect the safety of drinking water in the United States. It is a revision of the 1989 Total Coliform Rule (TCR) and increases public health protection through the reduction of potential pathways of entry for fecal contamination into distribution systems.

This training module includes video, audio, interactive knowledge checks, diagrams, images, and a quiz at the end.

## training content

1. Introduction to the Revised Total Coliform Rule (RTCR)
2. The Purpose of the RTCR
3. Applicability and Compliance Timeline
4. Requirements Under the RTCR
5. Maximum Contaminate Level (MCL)
6. MCL Violations
7. Sample Siting Plans
8. Monitoring (includes video)
9. Routine Samples
10. Repeat Samples (includes video)
11. Assessments and Corrective Actions
12. Treatment Technique (TT) Triggers and Corrective Actions
13. Reporting
14. Recordkeeping
15. Public Notification Requirements
16. Best Practices for PWSs

## how to use the training

This training is for *informational purposes only* and should not be considered a certification course.

To access this training, log into your ECATTS account then click on "**All Available Training**" then "**Military Base Employee or Related Personnel**", then "**Drinking Water: Revised Total Coliform Rule**".

If you do not have an ECATTS account, please follow the steps below to register for an account.

## register

1. Navigate to the Navy ECATTS website: <https://environmentaltraining.ecatts.com>
2. In the center section of the page, follow directions to create a profile for New Users (if you have a .mil email address, select "CLICK HERE" and a password will be sent to you immediately)
3. Enter the registration password into the box
4. Click "Create"

If you have difficulty creating a profile, click on "**ECATTS Support**" or call **866-730-4253** for assistance. Additionally, you may email [sspalding@ecatts.com](mailto:sspalding@ecatts.com) for technical support.
